

## USC Advanced Pediatric Dentistry Alumni

Since the program's inception in 1965, more than 300 residents have received their certificates in Advanced Pediatric Dentistry. Dr's Sahar Hamedani ('15), Stephanie Onwuegbusi ('10) & Annie Huang ('14) are working hard as the membership committee continue to be successful in recruiting members. We would like to both acknowledge and thank these individuals for their support. Below is a list of last year's members and the year they graduated.
